District C-11 police department 40 Gibson Street, Dorchester

Adams/ King & Hemenway Playgrounds

THE PROJECT:

As part of the Boston Parks and Recreation Departments continuing efforts to provide quality open space and recreation areas for use and enjoyment by all residents of the city, efforts are underway to make improvements to Adams/King Playground and Hemenway Playground.

WE NEED YOUR HELP!

We are looking for interested community members to help us in determining how Adams/ King and Hemenway Playgrounds will look and function in the future. These park renovations provide us with a unique opportunity to look at the playgrounds in this part of Dorchester and to create spaces for all residents to enjoy. At this first meeting, a site analysis of each park will be presented and a list of desirable features will be developed.

WHAT TO EXPECT:

The Parks Department is very interested in what the community has to contribute to the design process. Representatives from CBA Landscape Architects and Stantec Planning and Landscape Architecture, as well as a Parks Department official, will be on hand to give a brief presentation of the project scope and existing conditions site plan. Following the presentations, community members will be able to offer input regarding the material presented, the program for the park, and the design process.

Meeting location:

District C-11 Police Department
40 Gibson Street, Dorchester
